I BONDED WAREHOUSING

More than 20,000ft Bonded warehouse space within FTZ (Free Trade Zone), and within wolking distance from the two largest Air terminals in Singapore. Warehouse is on the ground floor, and it is very accessible even for 45ft Flat Rock shipping containers and mobile cranes. Fully Sheltered and 24 hours security.

DAYS BEFORE COVID

We gotten our new warehouse facility within the Changl Air Freight Centre (F12) just before the COVID-19 pandemic. It came in timely for our clients as they require space to store their items within a transhipment point in the world.

These racing cars which are meant for track racing around South East Asia are stored in ou warehouse as a staging warehouse for races around the region.
